Jeff was the best presenter of the conference; great content and presentation style; thought provoking.

Best speaker I have ever heard! Excellent, bring him back every year! I really enjoyed the information he presented.

**On behalf of all our members, thank you for an outstanding presentation on "Perspectives on the Economy and Implications for Public Accounting Practice" at our Annual Meeting in Las Vegas. Your opening session for all of our meeting participants was very informative, entertaining and highly rated by our conference participants. It was a great kickoff to a very successful meeting.**
