Your presentation at our regional meeting was **fantastic**. I heard nothing but positive reviews from my group. **This wasn't the "usual" economic presentation that all of us have seen many times.** Your injection of humor and many interesting "fun facts" kept the group engaged and interested.

You're phenomenal! All three of your presentations at the recent Industrial Asset Management Council Professional Forum placed in the top-five ranking. **Not only were you the highest rated speaker, you hold the second and third place ratings as well.** (keynote and two breakout sessions)
