Dear Jeff and Lynnette,

Thank you so much for joining us at our Annual Convention in April.

Jeff, your *Economic Update* was very informative to our attendees. Some of the many comments we received were, "Jeff is very easy to listen to given the complexity of the topics. I would have enjoyed listening to him for even longer than the time period he spoke.", and "Most economists paint a gloom and doom picture, Jeff was very positive with his message and he also entertained us with his wit."

The *Money & Music* presentation not only fit our theme perfectly, but was enjoyed immensely by our registrants. A remark from a Credit Union professional, "He's a wonderful speaker, and she's an accomplished musician—what more can one ask? It was shared knowledge and entertainment combined."

Finally, Lynnette, your entertainment was superb. Not only did you dazzle us with your musical talent, you included a few of our own Credit Union folks in your concert. Very fun!

Thank you both for helping make our Annual Convention a great success. I look forward to working with you again in the future.

Warmly,

Ranel Smith
